<u>Agenda Item 13</u> July Agenda

Election of a chair for each meeting is possible but it removes the collaboration which normally exists between chair and clerk, particularly in relation to the preparation of the agenda.

Should individual councillors not wish to commit to a full year, the option of a 3-month rotation would improve stability and continuity.

Proposal to consider:

1. **Election of chair for a 3-month period or the remainder of the council year.**
2. **If a 3-month period is selected, to elect a councillor representative to the Village Hall Trust. (Normally an ex-officio role for a permanent chair).**

Clerk to East Dean and Friston
